I/O Connectors
Bus Connectors

Deltron offers a wide range of different connectors, electronic- and electromechanical components.

Customized products are our strength.
Our Customer service will support you during the realisation of your idea.
D-Sub Hoods

Hood with Straight Cable Exit
For D-Sub 09/15/25/37/50 Pin. Various versions in plastic or metallized.

Hood with Straight and Side Cable Exit
For D-Sub 09/15/25/37 Pin. Various versions in plastic or metallized.

Hood with 90° Angled Cable Exit
For D-Sub 09/15/25/37 Pin. Plastic.

Hood with Straight or Side Exit
For D-Sub 09/15/25/37/50 Pin. Metal, EMI/RFI shielding.

Hood with 90° Angled Cable Exit
For D-Sub 09/15/25/37 Pin. Metal, EMI/RFI shielding.

Hood with Straight and 2 Side Cable Exit
For D-Sub 09/15/25/37 Pin. Plastic or metallized.

Hood IP 67
For D-Sub 09/15/25 Pin. Plastic, waterproof.

Bus Connectors

Bus Connectors
Profibus, CAN-Bus.

Accessories

For D-Sub connectors
D-Sub Connectors

**Standard**
Solder cup or solder pin (straight/angled). 09/15/25/37/50 Pin

**Waterproof IP 67**
Standard, high density, combi and filter versions.

**High Density**
Solder cup or solder pin (straight/angled). 15/26/44/62 Pin

**Wire Wrap**
09/15/25/37/50 Pin

**Filter**
Planar- or Pi-filter. Filter adapter. Many designs and mounting types.

---

**Range of different Connectors**

**Mini DIN Connectors**
Connectors for PCB (straight and angled) and cable assembly

**Circular Connectors Waterproof**
Different series of connectors, plastic or metal body, 2 to 12 pins
**Waterproof IP 68**
For front or back mounting. Versions: Standard, high density, combi and filter.

**Combi**
Versions for signal, power, coaxial and pneumatic contacts.

**Press Fit**
For standard-, high density-, combi- and filter-connectors.

**M8/M12 and Electrovalve Connectors**
M8/M12 circular connectors and valve connectors, the complete range for automation

**USB Connectors**
Various Universal-Serial-Bus connectors
Crimp Standard
Crimp contacts and body. Standard and high density execution. Machined or stamped contacts.

Crimp Combi
Crimp contacts and body. Signal, power, coaxial.

Gender Changer
In standard and high density versions

IDC (Flat Cable)
Stamped contacts, suitable for cable AWG 28-26

SMD
Also available taped on reel and with filter

Dual Port
Available in various designs

RJ 45 Connectors
Various RJ Modular Jack connectors

IDC cable Connectors
Header, Box header, IDC Socket, Transition plug, Dip plug
Large Selection of different Mounting Types
